- The direct connector from westbound I-820 to northbound I-35W will be closed. Traffic will be redirected to Meacham Blvd.
- Rolling full freeway closures on northbound I-35W from Spur 280 to SH 121.

This work is weather-permitting. **Updated closure information is posted daily** on Twitter ([@NTExpress](#)) and Facebook ([facebook.com/northtarrantexpress](#)).

This work is part of the \$1.4 billion North Tarrant Express 35W project, which includes a 6.5-mile section that is currently ranked 23rd on the state's most congested roadways list. Ranked sixth when construction began in 2013, this section of I-35W from north of I-30 to north of I-820 including the I-35W/I-820 interchange in Fort Worth is already seeing traffic improvements with the reconstruction of main lanes and the addition of TEXpress Lanes.

Drivers are encouraged to "Know Before They Go," and visit [www.northtarrantexpress.com](#) for upcoming closures. To view detour maps, please visit the [Alternate Route Map](#) page. Also, as lane closures are updated frequently, please visit the [Lane Closures](#) page daily for the most current information. Closures are subject to weather conditions, and construction activities may be postponed if necessary.
