This work is part of the \$1.4 billion North Tarrant Express 35W project. This includes a section that is currently ranked number six on the state's most congested roadway list along 6.5 miles of I-35W from north of I-30 to north of I-820 including the I-35W/I-820 interchange in Fort Worth. The project includes the reconstruction of main lanes and the addition of TEXpress managed lanes.

Drivers are encouraged to "Know Before They Go," and visit www.northtarrantexpress.com for upcoming closures. To view detour maps, please visit the [Alternate Route Map](#) page of our website. Also, as our lane closures are updated frequently, please visit the [Lane Closures](#) page on our website daily for the most current information. Closures are subject to weather conditions, and construction activities may be postponed if necessary.
