ROLLING FULL FREEWAY CLOSURES ON I-35W DURING DAY ON MAY 21 & 22

Rolling closures also on eastbound and westbound Belknap/Weatherford Streets (SH 121)

FORT WORTH, Texas – Drivers in Fort Worth need to take note: there will be rolling full freeway closures on northbound and southbound I-35W between 1st Street and 4th Street from **7 a.m. to 5 p.m.** on **Saturday, May 21 and Sunday, May 22**. There will also be rolling full freeway closures on eastbound and westbound E. Belknap/E. Weatherford Street (SH 121) at I-35W.

These daytime closures are occurring at the request of the Federal Aviation Administration (FAA) so that Oncor can safely relocate a transmission utility line via helicopter over I-35W to limit impacts to the traveling public.

This work is weather permitting. **Updated closure information is posted daily** on Twitter ([@NTEExpress](https://twitter.com/NTEExpress)) and Facebook (facebook.com/northtarrantexpress)

This work is part of the \$1.4 billion North Tarrant Express 35W project. This includes a section that is currently ranked number six on the state's most congested roadway list along 6.5 miles of I-35W from north of I-30 to north of I-820 including the I-35W/I-820 interchange in Fort Worth. The project includes the reconstruction of main lanes and the addition of TExpress managed lanes.

Drivers are encouraged to "Know Before They Go," and visit www.northtarrantexpress.com for upcoming closures. To view detour maps, please visit the [Alternate Route Map](#) page of our website. Also, as our lane closures are updated frequently, please visit the [Lane Closures](#) page on our website daily for the most current information. Closures are subject to weather conditions, and construction activities may be postponed if necessary.
