## **NTE CAPACITY IMPROVEMENT PROJECT TO HOST NATIONAL WORK ZONE AWARENESS WEEK EVENT TO HIGHLIGHT SAFETY**

**FORT WORTH, Texas – On Tuesday, April 16th at 11:30 a.m.,** North Tarrant Infrastructure (NTI) will host a press conference to promote Work Zone Awareness Week (April 15-19).

This annual event, which emphasizes the importance of staying safe in the work zone for both workers and motorists, will take place in the Cabela's parking lot adjacent to the I-35W service road at SH170 (12901 Cabela's Drive, Fort Worth, TX 76177).

Representatives from NTI, as well as Buyers Barricades, a project partner on the front line of traffic control, will discuss the critical importance of safety in road construction work zones for workers and motorists. Project partners from NTE Mobility Partners, the project's developer, and the Texas Department of Transportation will also be in attendance. Speakers will include:

- Jim Quinn, Deputy Safety Manager, North Tarrant Infrastructure
- Kyle Freeman, National Senior Safety Manager, Ferrovial Construction
- Rafael Tunon, NTE Mobility Partners
- Gary Files, OSHA
- Tony Garcia, Buyers Barricades

There will be visual displays at the event location, as well as safety equipment onsite for demonstrations following the event. The program will be conducted in both English and Spanish.
